Volcano Scientist in your Community!

Join scientists from the U.S. Geological Survey for engaging presentations on lahars (fast-moving volcanic mud flows) and what they mean for our community.

Saturday, April 18, 2026
10:00 a.m. to 4:00 p.m.
Puyallup Public Library
ALL AGES WELCOME!

Learn how regional schools participate in the world's largest full-scale exercise at **https://laharexercise.com/**.
